The Dunaway Manor currently has 77 ‘neighbors’, 94 employees and is governed by 6 volunteer directors.

The cafeteria has undergone some renovations to allow the neighbors to enjoy their meals in the dining hall. Hallways and community areas have received a fresh coat of bright paint.

The facility is working toward offering café style dining for the neighbors, updating the security lighting and fixing the courtyards so that the neighbors can enjoy the grounds.

Helping Hands is a group that fundraises for the Heritage Community to help with the expenses of renovations or providing the neighbors with supplies.
